

Dear Santa,

This Christmas I am ____ years old.

My parents say that this year I've been:

- Really good all of the time
- Mostly good some of the time
- Naughty (Sorry, I'll keep trying)

If it's not too much to ask, these are the things I would really love to have for Christmas!

I promise to keep trying my best to be good and to leave you some

and

on Christmas eve.

All my love,
